Child and Adult Care Food Program

The Child and Adult Care Food Program (CACFP) provides funds to institutions and sponsoring organizations that provide nutritious meals to participants enrolled in child care centers, day care homes, homeless shelters, and adult day care centers.

Your institution is eligible to participate in this program if you are:

- A public or private nonprofit organization, including sponsoring organizations of unaffiliated centers, head start, and at-risk sites.
- A private for-profit center in which 25% of the participants have been documented as low income,
- A homeless/domestic violence/emergency shelter operated by a public or not-for-profit organization that provides support to homeless children in temporary residential settings, or
- The center may qualify according to other program regulations.

Child care centers and adult day care centers can participate in the Child and Adult Care Food Program either independently or through a sponsoring organization that accepts full administrative and financial responsibility for the program. Day care homes must participate through a sponsoring organization; they cannot participate in the Child and Adult Care Food Program independently.

Enrollees in eligible child care centers can receive CACFP benefits if they are:

- Age 12 years or under; or
- Children of migrant workers age 15 or under; or
- Mentally/physically disabled persons, as defined by the State, at any age if the majority of enrollees are age 18 or under; or
- Children enrolled in At Risk After School Programs
- Temporary residents of homeless shelters 18 years of age or younger, and residents of any age who have disabilities.

Note: All criteria listed above may not apply to your organization.

BUILDING FOR THE FUTURE

This day care facility participates in the Child and Adult Care Food Program (CACFP), a Federal program that provides healthy meals and snacks to children receiving day care.

Each day more than 2.6 million children participate in CACFP at day care homes and centers across the country. Providers are reimbursed for serving nutritious meals which meet USDA requirements. The program plays a vital role in improving the quality of day care and making it more affordable for low-income families.

Meals CACFP homes and centers follow meal requirements established by USDA.

- **Family Day Care Homes:** Licensed or approved private homes.
- **Afterschool Care Programs:** Centers in low-income areas provide free snacks to school age children and youth.
- **Homeless Shelters:** Emergency shelters provide food services to homeless children.

Eligibility State agencies reimburse facilities that offer non-residential day care to the following children:

- Children age 12 and under
- Migrant children age 15 and younger, and
- Youths through age 18 in afterschool care programs in needy areas.

**Contact
Information**

If you have questions about CACFP, please contact the office of School and Community Nutrition at (502) 564-5625.

FEDERAL REQUIREMENTS

Federal regulations at [7 CFR Part 226](#) require institutions participating in the Child and Adult Care Food Program to maintain support documentation for claims submitted.

These regulations can be found at:

<http://www.ecfr.gov/cgi-bin/text-idx?c=ecfr&SID=86570c8e304645e5da8d64b9d778e428&rgn=div5&view=text&node=7:4.1.1.1.5&idno=7>

INSTITUTION AND SPONSORING ORGANIZATION RESPONSIBILITIES

RECORD KEEPING

Institutions who participate in the Child and Adult Care Food Program (CACFP) must maintain records at the sponsor/center location. Sponsoring organizations of affiliated centers and sites are responsible for ensuring that each center or site under the sponsorship is maintaining current month records. Sponsors of Unaffiliated centers and sites must ensure that each center or site maintains copies of at least the previous twelve months records. These records must accurately reflect program operations. Failure to maintain such records will result in the denial of reimbursement and/or termination from the Program.

An organized system for filing and maintaining records will save time when completing the monthly Report and Claim for Reimbursement. **All monthly records and supporting documentation must be assembled together and filed with a corresponding copy of the Report and Claim for Reimbursement in the institutions or sponsoring organization's main office.** Institutions should assign responsibility for maintaining daily records to specific staff.

Records to support reimbursement must be maintained on file for a minimum of 3 years plus the current year. **Failure to maintain any of the following records will result in the repayment of meal reimbursement: [7 CFR 226.10(d)]**

1. Enrollment Forms
2. Master Roster
3. Attendance Records
4. Free/Reduced Price Income Applications
5. Record of Meals Served
6. Program Costs Documentation including Receipts, Invoices, Catering Delivery Tickets and Proof of Program Labor.
7. Menus

FOLDER SYSTEM

The folder system was designed by the State Agency as an effective way of managing records necessary for meal reimbursement. All institutions are required to have the following labeled folders for each fiscal year:

1. Permanent Agreement/News Release/Correspondence/In service Training/Monitor Reviews and Procurement
2. Income Applications/Enrollment Form
3. Monthly folders (October – September) for each month of the federal fiscal year beginning with October. The following items are to be filed monthly in each folder:
 - a. Copy of the Claim for Reimbursement
 - b. Attendance Records
 - c. Copy of Master Roster
 - d. CACFP Menu Records (Participant and Infant)
 - e. Record of Meals Served (Form 17-9) and/or (Form 17-10) for institutions claiming more than 3 meal services.
 - f. Record of Expenditures (17-8)
 - Food and non-food bills, receipts, invoices (must be original, dated and itemized, and include the store and/or vendor name.)
 - Personnel Activity Report Form and/or Paycheck Stub
 - g. Catering Delivery Tickets

INSTITUTION OR SPONSORING ORGANIZATION IN-SERVICE TRAINING DOCUMENTATION

Child care center and Adult day care center institutions and sponsoring organizations must conduct staff training regarding Child and Adult Care Food Program requirements within **four** weeks of attendance at State Agency training. New institutions and sponsoring organizations *must conduct staff training within the first four weeks of program participation*. Documentation of the training must be recorded on the REGISTRATION FORM. The State Agency recommends discussing the following topics during staff training:

1. Civil Rights Compliance (**MANDATORY**)
2. Meal pattern requirements (necessary food components and proper portion sizes to be served at each meal as illustrated on the Food Chart),
3. Meal counts (requirement that staff conduct the meal count at the time of each meal service and document the number of meals served on Form 17-9).
4. For those institutions approved for more than 3 meal services, Form 17-10 will be used daily to record the names of the children and to indicate which meals they consumed. Facilities may only claim two meals and one snack or two snacks and one meal per child per day. The Form 17-9 will be used to consolidate all daily meal service totals for claim submission.
5. Attendance records,
6. Safety and sanitation,
7. Menus (Participant and Infant),
8. Personnel Activity Reports,
9. Other records required by the Child and Adult Care Food Program (CACFP), the United States Department of Agriculture (USDA) and the State Agency.

Ongoing training should be conducted and documented as the institution hires new staff throughout the fiscal year. New staff must be trained within the 1st week of employment. Remember to always have new staff members sign in when training is completed. The trainer must provide a signature and date for all new staff trained throughout the year.

Any staff conducting in-service training must have completed training on CACFP policies and procedures.

All institutions are required to keep the State Agency Issued Menu Records. Menus function as an important tool because menus help ensure that centers meet proper meal pattern requirements. Menus also report which foods are prepared and served to participants. Therefore, Menus help support food purchases and costs. When listing food items served on Menu Records, be very specific as to the type (i.e. fresh pineapple, canned pineapple tidbits or pineapple slices). Foods on the menus will be cross referenced with the purchases on food receipts and invoices. The Food Buying Guide will be a necessary and important reference tool during meal planning and preparations. Institutions are responsible for purchasing and preparing adequate amounts of each component for the number of children being claimed during the meal service.

Additionally, food substitutions can be made for participants who are unable to consume regular program meals because of **medical** or other special dietary needs. In such cases, a statement from a recognized medical authority must be provided on behalf of the participant. The medical statement should specify the food or foods to be omitted from the participant's diet and specify a choice of foods that may be substituted. The Sponsoring Organization **is** required to purchase and prepare the alternate foods for authorized medical reasons.

Food substitutions can be made for participants who are unable to consume regular program meals due to **religious reasons**. In such cases, a statement from the participant's parents/guardian must be provided on behalf of the participant. The statement should specify the food or foods to be omitted from the participant's diet and specify a choice of foods that may be substituted. The Sponsoring Organization is **not** required to purchase and prepare alternate foods for religious reasons.

As stated in USDA FNS Policy Memo CACFP 21-2011-REVISED, "in the case of children who cannot consume fluid milk due to medical or other special dietary needs, other than a disability, non-dairy beverages may be served in lieu of fluid milk. Non-dairy beverages **must** be nutritionally equivalent to milk and meet the nutritional standards for fortification of calcium, protein, vitamin A, vitamin D, and other nutrients to levels found in cow's milk as outlined in the National School Lunch Program (NSLP) regulations at 7 CFR 210.10 (m)(3)." In such cases, parents or guardians shall request the substitutions in writing and are not required to provide a medical statement. The written request must identify the reason for the substitution. **Such substitutions are at the option and expense of the facility.**

Q. Do I have to serve water during meals?

A. In accordance with FNS Policy Memo CACFP 20-2011, child care centers, family day care homes, at-risk afterschool programs and shelters participating in CACFP shall make potable water available to children throughout the day, including meal times. Water should be made available to children upon request, but does not have to be available to children self-serve.

Q. If my staff has difficulty calculating amounts of food to prepare, what do I do?

A. Consider the use of cycle menus and calculate how much the cook needs to prepare based on attendance. **It is the responsibility of the center/sponsor to ensure that meals meet minimum requirements as to components and portion size per participant.** In addition, the institution or sponsoring organization should provide additional training to the cook in the use of the Food Buying Guide and the Food Crediting Guide. An online Food Buying Guide calculator is also available at: <http://fbg.nfsmi.org/>

*For catered meals, please see the Catering Guidance Handbook.

If there are no menus available, if menus are incomplete, or if menus do not cross reference with receipts, meals will be disallowed.

INFANT DAILY MENU RECORD

The Infant Daily Menu Record is required for all programs serving infant meals.

- One type of formula must be provided by the institution.
- Institutions cannot **require** parents/caregivers to supply infant formula or food.
- At least one component of meals served to 8-12 month old infants needs to be purchased/provided by the institution.
- Infant feeding times vary depending on the age and development of the child.
- Infant Menu Records need to be kept every day.
- Infants on breast milk or formula may be claimed as long as the child care center staff is feeding the child.
- Only iron fortified infant cereal is creditable.
- Meat sticks or "finger sticks" (which look like miniature hot dogs) are not reimbursable as a meat/meat alternate in the Infant Meal Pattern because they could present a choking risk
- Combination dinners (jarred turkey and rice, etc.) are not creditable.
- Commercial fish sticks, other commercial breaded or battered fish or seafood products, canned fish with bones, hot dogs, and sausages are not creditable for infants under 12 months of age.

As you know, infant meal patterns vary according to the age of the infants. You should ensure that each age group is receiving all required components. You do not need to break out the components for the different age groups under the menu column, but you must be specific when listing all food components served to all age groups. **Infants 6 wks up to 1 year must be listed on the Infant Daily Menu Record.** If for some reason children over 1 year of age are still consuming infant foods or formula their meals must be recorded on Infant Daily Menu Record.

Infant Daily Menu Record must have a detailed description. The type of cereal, type of fruit or vegetable and iron fortified formula/breast milk must be listed.

Refer to the infant food chart for required components for each meal.

Small Purchase Procurement

(Comparison Shopping for Grocery and Retail)

To meet the procurement requirements for small purchases, such as those items purchased at a grocery or retail store, the State Agency requires that you comparison shop six of your most frequently purchased items at least once a year. You will select at least three separate but similar retail stores and compare the costs of these items within those stores. You are required to select the store that has the lowest price, unless other circumstances such as proximity of the store, or consistency of quality impacts your decision. This needs to be documented on the Small Purchase Procurement Form.

Instructions for Completing Food Supply Vendor Procurement: Invitation to Quote, Procurement Form, and Procurement Log

Procurement is required by FNS regulation (7 C.F.R. §226.22). As with all other Federal funds, the primary objective of these procedures is to ensure maximum open and free competition. Although the program regulations do not specifically limit the term of CACFP procurement contracts, the State Agency will only allow, contract terms of one year.

Those institutions and Sponsoring Organizations who use food supply vendors such as Gordon Food, US Foods, or Sysco, must conduct procurement. Use the instructions and forms included in this handbook to assist you in conducting your food supply vendor procurement. Per State Agency policy, this procurement must be conducted within the first four weeks of the fiscal year.

Instructions

1. Fill out the Food Supply Vendor Contract with the items that you wish the vendors to bid on. Make three copies. (Form A)
2. Obtain the names, addresses, and email addresses of at least three food supply vendors.
3. Fill out the prototype *Invitation to Bid* letter with the necessary information (a modifiable document can be located on our website) (Form B)
4. Mail or email a Food Supply Vendor Contract and an Invitation to Bid to each of the food supply vendors with a date when bids should be returned. **Institutions must ensure that all potential food supply vendors receive the same information.**
5. When Food Supply/Vendor Contracts are returned to you, compile the bids, complete the procurement log, (Form C) and document which food supplier was selected. Sign the Food Supply Contract of the vendor you have chosen and send the selected vendor a copy of the signed contract. If the lowest price is not the reason for selecting a prospective bidder, you must document why the alternate food supply vendor was chosen.
6. Keep all contracts, the procurement log, and any correspondence with the food suppliers concerning the bid in your CACFP folder. Procurement records must be kept for three years after the close of the fiscal year.

RECORD OF MEALS SERVED

The Record of Meals Served Form (17-9)/Form (17-10) is the official source documentation used to verify meal counts.

All institutions must maintain an accurate daily count of meals served to participants broken down by age categories. **The count must be taken during the meal service and it must total the actual number of meals served. The meal count shall not be taken from attendance records, sign-in sheets, licensed capacity or enrollment.** Institutions may claim reimbursement only for meals served to participants who are enrolled in the program, have attended at least part of a day, and have a **current, complete signed and dated CACFP enrollment form on file.**

The Record of Meals Served Form also provides an area to record total daily attendance each day. The total daily attendance will be compiled on this form as well.

After the last meal service on the last serving day of the month, institutions shall record the amount of milk that was not served or expired, in the space provided at the bottom of each month's Record of Meals Served (Form 17-9). This amount will represent milk to be carried over to the Milk Reconciliation Form in the upcoming month.

Q. Do I have to maintain a daily count at each meal service if I have attendance records?

A. **Yes.** Attendance records are not the same as the "Record of Meals Served." In some cases, participants may be present at the center, but the individual may not participate during the meal service. Therefore, reimbursement is calculated based on meals actually served, not attendance records.

Q. What are the limitations on number of meals served at child and adult day care centers?

A. Institutions are eligible to claim reimbursement for either two meals and one snack per participant per day or one meal and two snacks per participant per day.

INFANT ADDENDUM TO ENROLLMENT

Dear Parent:

This child care center participates in the USDA Child & Adult Care Food Program (CACFP). This program provides reimbursement to the center for formula served to your baby while in our care. We want to work with you to provide the very best nutritional care for your baby. Under the CACFP regulations, the center may NOT charge you a separate fee for meals that are claimed for reimbursement.

We use the meal pattern (attached to this addendum) developed by the USDA for centers participating in the CACFP. The type and amount of foods served vary according to the age of the infant. However, the actual foods we provide will be based on what you tell us about your baby's own food needs.

Talk with your health care provider and let us know whether you want to use breast milk or a formula while in child care. We also need to know when you will introduce solid foods. You may choose for us to provide the formula, or you may provide the formula for your infant.

(Name of Daycare Center)

currently provides the following formula(s): _____

Breast milk and formula that you provide should be labeled with your child's name, the contents of the bottle (breast milk or brand of formula), and the date the formula was prepared or the date of collection for breast milk.

Please fill out the form below and return it to help us plan the meals for your infant. If this information changes, you will need to complete a new form.

Sincerely,

Sponsor Representative

INCOME APPLICATION FOR FREE AND REDUCED PRICE MEALS

Institutions participating in the CACFP must obtain information regarding “free and reduced price meal eligibility” for each participant being claimed as free or reduced. **The eligibility information for each participant claimed as free or reduced must be kept on file and the information is considered valid for one calendar year from the date of the parent/guardian/client signature.** The State Agency recommends that sponsoring organizations obtain income information as a part of the enrollment process.

Applications must be correctly and completely executed by the participant’s parents or guardian. Institutions must correctly classify enrolled participants in one of the following categories based on information obtained from the income application: free, reduced-price, or paid. All income applications must be reviewed for completeness by the institution. **The determining official must sign and date in order for the application to be deemed complete.**

The State Agency will review income applications to ensure that the applications have been completed and the participants are correctly classified. If verification reveals that the application has inaccurately been classified or that numbers of enrolled participants have been incorrectly reported, the State Agency will require a corrected claim. A deficiency finding from a verification review will result in the recovery of any overpayments. As a result, follow up on-site reviews may be scheduled to ensure that the problem has been corrected.

Q. What does a completed application require?

A. If the participant is from a family **not** receiving Supplemental Nutrition Assistance Program (SNAP) or Kentucky Transitional Assistance Program(K-TAP), the completed application must include the participant’s name, birth date, list of all household members, last four digits of the social security number* of the head of household, and income by source. The application must be signed and dated by the parent/guardian.

or

B. If the participant **is** from a family receiving SNAP or K-TAP, the completed application must include the participant’s name, birth date, SNAP or K-TAP number and must be signed and dated by the parent/guardian.

Please ensure that any SNAP/K-TAP numbers reported are the actual case numbers, not the amount received or the SNAP EBT number.

Q. If the family is unable to complete the income application due to a physical or mental disability, illiteracy, or language barrier, can the sponsor complete it?

A. In such a case, the institution may complete the application and the parent/guardian and/or client should make an “X” to indicate that the sponsor has completed the application on their behalf. The staff member must initial and date the income application and indicate why the parent/guardian/client could not complete the form without assistance.

Q. What should be done if the family refuses to complete the income application?

A. The participant will be classified as “paid.”

Q. How should a foster child or child in court appointed Kinship Care be classified?

A. These children are automatically classified as Free, indicated by the completed income

application.

- Q. If the child receives benefits (subsidized child care), does an income application have to be completed by the child's parent/guardian or is the child categorically eligible for free meals?
- A. An income application must be completed by the parent/guardian of the child receiving benefits. Receipt of subsidy funds does not automatically qualify the child for free/reduced meals.

PRIVACY ACT STATEMENT: The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve the participant for free or reduced price meals. You must include the last four digits of the Social Security Number of the adult household member who signs the application. The Social Security Number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number for the participant or other (FDPIR) identifier or when you indicate that the adult household member signing the application does not have a Social Security Number. We will use your information to determine if the participant is eligible for free or reduced price meals, and for administration and enforcement of the Program.

- *Note:** For participants of Child Nutrition Programs, Section 9 (d)(1) of the National School Lunch Act requires that, unless the child's SNAP or K-TAP case number is provided, the last four digits of the social security number of the household member signing the statement or an indication that the household member signing the statement does not possess a social security number must be provided. Provision of a social security number is not mandatory, but if the last four digits of the social security number are not provided or an indication is made that the adult household member signing the statements does not have one, the statement cannot be approved. The last four digits may be used to identify the household member in carrying out efforts to verify the correctness of information on the statement.

Dear Parent/Guardian:

Young children need healthy meals to learn. This letter is intended for parent or guardians of children enrolled at either a child care center or a family day care home. _____ offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care.

Please help us comply with the requirements of the CACFP by completing the attached income application as soon as possible. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

The completed form will be placed in our files and treated as confidential information. All children in our program receive their meals free of charge, but the determination of eligibility category affects the amount of federal funding received by the center. If your household's income is equal to or less than the amounts indicated for your household's size on the chart below, the center will receive a higher level of reimbursement.

1. **Do I need to fill out an income application for each of my children in day care?** Complete and submit one CACFP income application form for all children in your household only if they are enrolled in the same center or home. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. Return the completed form to: _____.
2. **Who can get reduced priced meals?** Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, attached with this application.
3. **May I fill out a form if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the center.
4. **Who should I include as members of my household?** You must include all people in your household (such as grandparents, other relatives, or friends who live with you). You must include yourself and all children who live with you.
5. **How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. Once properly approved for free or reduced price benefits, whether through income or proof of benefits as supported by a current Supplemental Nutrition Assistance Program (SNAP) or K-TAP case number, you will remain eligible for those benefits for a period not to exceed 12 months. You should, however, notify us if you or someone in your household becomes unemployed and the loss of income during the period of unemployment causes your household income to be within eligibility standards.
6. **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you only get it sometimes.
7. **What if I have foster children?** In certain cases, foster children are eligible for free or reduced-price meals regardless of the income of the household with whom they reside. Fill out a separate application for each foster child in your care. However, if the foster children are siblings, each child may be listed on the same form. If this is a foster child, please indicate with a check mark on the application. Enter the foster child(ren's) personal use income (print "0" if the child has no income). Complete the form by proceeding to Part 4 and Part 5.
8. **The Kinship Care Program** operates under similar guidelines as that of foster care but the children are placed with family members. Under the Kinship Care Program, the state has custody of the child(ren) until permanent placement takes place (about 2 years later).
9. **We are in the military; do we include our housing and supplemental allowances as income?** If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. All other allowances must be included in your gross income.

In the operation of child feeding programs, no person will be discriminated against because of race, color, nation origin, sex, age or disability.

ATTENDANCE RECORDS

All institutions are required to maintain daily attendance records in order to document an enrolled participant's attendance in the center. (A copy of the Attendance Record Form is on the following page). Daily attendance must be totaled every day and recorded on the Record of Meals Served (17-9) form in the Total Daily Attendance (TDA) column.

However, a computer-generated attendance record is also acceptable. Institutions may design their own form, but it must contain, at a minimum, the information contained on the State Agency form. **Forms designed by the sponsor must be submitted to the State Agency for approval prior to use.**

Both the participant's first and last name must be included on the attendance record. **The name must be the same name that appears on the CACFP enrollment form, the income application, and the master roster.** Please be aware that **sign-in sheets are a licensing requirement, not a CACFP requirement. Sign-in sheets do not** replace attendance records. Participants who attend the center for any part of the day are considered present that day. For sponsoring organizations, participants who attend more than one center on the same day can be counted only once in attendance.

Failure to maintain attendance records or maintenance of inadequate attendance records will result in the recovery of CACFP reimbursement. Attendance records must be maintained on file for three years plus the current fiscal year.

Month/Year _____

Sponsor _____

[illegible]

Each day's totals must be recorded on the Record of Meal Served (Form 17-9) in the Total Daily Attendance Column at the end of each day.

MASTER ROSTER OF PARTICIPANTS

One **continuous** Master Roster must be maintained each fiscal year. Institutions must be able to identify each month's total number of participants.

Each institution under a sponsoring organization must maintain a separate, continuous Master Roster.

The Master Roster must include the following:

- A date that the participants enrollment form (EF) was signed.
- A date that the participants income application was signed IF the participant is being claimed as free or reduced.
- The names of all participants enrolled and in attendance at the beginning of each new federal fiscal year (October 1) must be recorded on the Master Roster. Names are added as new participants join the program. Additional pages may be attached as necessary. (A copy of the Master Roster Form is on the following page. The Master Roster may be completed by hand, or kept as an electronic document.) If an electronic document is kept, a paper copy must be printed off at the end of each month.
- Institutions must ensure that participants' eligibility classification is correctly recorded under the Eligibility portion of the Master Roster (Free, Reduced or Paid).
- The Master Roster should accurately reflect the number of those enrolled at the center for each month.
- Membership reported monthly is determined from the actual attendance records. If a participant has been in attendance one day or a portion of that day **and has a current, complete enrollment form**, they are counted in the sponsor's membership for the month. An F, R, or P is recorded in the participants monthly attendance column.
- The Master Roster must be cross-referenced monthly with attendance records, income applications and enrollment forms to ensure that only those participants in attendance with a current and complete enrollment form each month are claimed in the membership counts.
- After membership is calculated for the month, the Master Roster is moved to the next months' folder. If an electronic Master Roster is kept, a paper copy must be printed off and kept in the monthly folder.

PROGRAM COSTS DOCUMENTATION

Every institution that participates in the CACFP must demonstrate the operation of a non-profit food service program. **As provided by USDA's Financial Management-Child and Adult Care Food Program [Food and Nutrition Service \(FNS\) Instruction 796-2, Revision 3](#), all institutions must operate a non-profit food service in which all CACFP meal payments are expended for allowable costs. This means that ALL of the money you receive in CACFP reimbursement MUST be used ONLY in the food service operation. All CACFP records must be maintained on file for three years plus the current year.**

The following are examples only and are not intended to be a complete guide as to how CACFP funds may or may not be spent. Refer to the FNS Instruction 796-2, Rev. 3 or contact the State Agency if you have questions about allowable expenses.

Food and Milk Documentation

Allowable Costs: price of purchased foods referenced to menus and invoices from a food service management company or caterer.

Not Allowable: value of donated foods; cost of food lost as a result of fire, water, spoilage or other contamination in excess of \$100; fast food, personal groceries or items such as cigarettes, soda, dog food, etc.

Minimum Records that Support Cost of Food & Milk Used

- c. Food inventory records;
- d. Records of cash discounts and other credits when they are not shown on purchase orders and/or invoices;
- e. Menus (Participant and Infant);
- f. invoices from the food management company, caterer or school (reported as cost of food used);
- g. Daily delivery tickets that include components served as well as the name of the catering source, date, number of meals ordered, number of meals delivered. These also must be signed and dated by vendor staff delivering meals and sponsor staff receiving meals.

These tickets should be compared to the monthly invoice received from the vendor to ensure that the sponsor was charged for the correct number of meals ordered.

Non Food Cost Documentation

Allowable Costs: Examples are: paper goods (napkins, straws, cups, etc.); cleaning supplies for kitchen and dining room.

Not Allowable: Examples are: general day care supplies or arts/crafts projects; toys, games, videos; laundry and general cleaning supplies not used in the food service area.

- b. Canceled checks
- c. Bank statements

Note: Canceled checks and bank statements will be used only to verify payment of original receipts, and cannot be used as the only source of documentation.

Q. How much can you claim for non-food items the total amount or half?

A. If all the non-food items were used as part of the meal service (i.e. paper products, plastic silverware, kitchen cleaning supplies, eating area cleaning supplies, etc.) then the total amount can be claimed. If only a portion of the product purchased is used for the food program (i.e. trash bags, paper towels), then only half of the cost could be claimed. Non-food items purchased for day care use only (i.e. toilet paper, Kleenex) cannot be included in program costs.

Q. Can I claim tax on non-food items?

A. Yes, claim tax on the non-food item under “Non-Food” on the Record of Expenditures, Form 17-8.

Program Labor Costs

Program Labor Costs for Food Service are limited to wages and fringe benefits paid by the sponsor to employees directly involved with the food service program. If the sponsor is reimbursed for an employee’s wages from some other source, it cannot be claimed as a cost to the Program.

Allowable Direct Costs: wages paid for preparing and serving food; wages paid to personnel who assist participants at mealtime; wages paid for on-site preparation of records required for the food program. Program Labor duties include cooking, serving, menu planning, grocery shopping and cleaning of kitchen and dining room.

Not Allowable: administrative costs, donated labor, salaries of staff who do not perform CACFP duties; wages paid from sources other than the sponsoring organization.

Minimum Records that Support Program Labor Costs

- a. Staff who work full-time on CACFP duties (cooks) will document their wages and benefits by placing copies of their check stubs in the monthly folder.

These must be signed and dated by employee. Page two of the PAR must be signed and dated by the employee’s supervisor. Both pages of the PAR’s must be maintained in the monthly folders.

- c. Mileage documentation.
- d. Rental agreements and invoices for office equipment or office space.
- e. Invoices and canceled checks for any costs claimed as an administrative expense.

RECORD OF CACFP PROGRAM EXPENDITURES FOR THE MONTH FORM 17-8

The Record of CACFP Program Expenditures for the Month (Form 17-8) is the form that institutions use to record all of the expenses that are used to justify the reimbursement for the month. Institutions will keep this form, along with all receipts and the menu record, in the corresponding monthly folder. Every month, institutions will use the calculations from their monthly 17-8 form to record their program costs on the Justification for Reimbursement form. Programs will use the Justification for Reimbursement Form to record their quarterly costs in the ACQR (Actual Cost Quarterly Report) in CNIPS.

- Q. Do I have to fill this out as I go along through the month, or can I complete it after the month is finished?
- A. Either way is acceptable, as long as the form is complete before the claim for the month is submitted.
- Q. Why do I have to record the quantity of milk I purchased on this form?
- A. This will aid you in completing your milk reconciliation for the month. The milk reconciliation determines whether or not enough milk has been purchased to meet meal pattern requirements for all meals in which milk was served.

ACQR (Actual Costs Quarterly Reporting)

CACFP regulation 796-2 Revision 3 requires that all institutions show fiscal integrity and accountability for all funds received from the Child and Adult Care Food Program. All expenses incurred as program expenses must be approved and funds must be used for authorized program expenses only.

To meet this regulation, the State Agency requires that all institutions report their budgeted costs on a quarterly basis. Found in CNIPS at <https://cnips.education.ky.gov/cnips/> the quarterly report or ACQR is to be completed by January 15 for the first quarter, April 15 for the second quarter, July 15 for the third quarter, and October 15 for fourth quarter. The State Agency will review the costs each quarter to ensure that institutions are being fiscally responsible with CACFP funds. If, during a review of the quarterly costs, it is determined that the institution is not using all of the funds received as is required by regulation, a plan of correction will need to be submitted.

****Training Presentations are available on the CACFP KY Website.****

Monitor Reviews

Monitoring sponsored centers for compliance with CACFP regulations is an important responsibility of Sponsoring Organizations. Sponsoring Organizations can also use monitor reviews to provide technical assistance when needed. Sponsoring Organizations of Affiliated and Unaffiliated Centers must conduct **at least three monitor reviews on each site each year. Two of the three monitor reviews per site must be unannounced and there can be no more than six months between any two monitor reviews. A meal service must be observed during at least one of the monitor reviews conducted during the year. In accordance with USDA FNS Policy Memo CACFP 16-2011, sponsoring organizations must ensure that the timing of unannounced reviews is unpredictable.** For example, unannounced reviews that always occur during the third week of January, third week of May, and third week of September are predictable. The review schedule should be varied enough that facilities staff are unable to anticipate the date/timing of the review.
